NAUGHTY TEENS HAVING IT OFF? WELL ALRIGHT THEN, IF YOU INSIST! WHY NOT DROP US A LINE IF YOU'RE A MUCKY TEENIE – OR IF YOU'VE JUST SCREWED ONE?!

## FUCK IN THE MUD

I work as a landscape gardener. Usually I work with a three-man crew, but one day this June the other two called in sick. Well, I can handle a spade on my own, so I thought I would go it alone.

It was a drizzly but strangely humid day, so the ground was muddy and I was soon wet with sweat and rain.

"Hey, you!" I suddenly heard a voice call from behind me. I turned around to see Chelsea, the 19 year old daughter of the house's owner. She's a stunner: five-foot-two with big, beautiful blue eyes; mousy blonde hair flowing over her shoulders; a pair of pert bra-less tits bobbing firm and free in a loose top; a flat tummy; narrow, curving hips and tanned, gym-toned legs. We're talking instant hard-on. "You look like you could do with a glass of pop," she yelled up the garden.

"That would be great," I called back.

It couldn't have been more than five minutes before I heard her calling again from the door. "Come and get it."

Come and get it, indeed. She was wearing cycling shorts and had tied up the hem of her top to show off the skin from just below her tits to about two inches below her belly button. And what a belly button! It was a long, deep dimple that sat on top of the faintest little trail of hair coming up from her bush. If that trail was any indication, she had a thin, light-blonde bush, and I was dying to see it.

She held a glass out to me as I made my way to the back door. I said, "Perhaps you should just leave that glass on the fence post there. I smell pretty bad at the moment."

She inhaled deeply and smiled; "I was just thinking that what you smell like is a real man!"

She then did something I didn't expect at all. She reached up towards the top of the door frame. Her shirt rode up her body, giving me a look at the bottoms of her breasts as she stretched that gorgeous body of hers.

"I love wet days like this," she said with a sigh. "It makes me feel like a kid again, just wanting to go outside and play in the mud."

"Well, there's plenty of mud out there," I replied, waving at the hole I was digging. "So have a go if you feel like it."

"Will you come out and play with me?" she asked, her voice rising and a grin spreading across her pretty face.

"Maybe I should just get back to work," I said, thinking about her parents.

"Oh, come on! No one else is in, and no one will find out," she pouted. "I won't tell on you if you won't tell on me."

With that Chelsea whipped off her top. I nearly fainted at the sight of her big brown haloes and long pink nipples sloping up like an open invitation. She giggled and ran out to the mud pit where I'd been digging, stripped off her shorts and flopped her buck-naked arse into the rich, wet dirt I'd thrown up. She bailed up some mud and threw it at me.

What was I supposed to do? Say no? Pulling off my boots was something of a chore, but once I got rid of them the rest was easy. I flopped down in the mud as both of us yelled, "Wheee!"

The mud was cool and slippery, and the light drizzle tickled my skin. It felt so good I wondered why I'd never thought about playing in the mud before now. Before I knew what was happening, Chelsea was all over me. I felt my already throbbing cock give a jerk as it sprang up in front of me.

"Look at you! It certainly looks like you're ready for action!" Chelsea laughed.

"I'm always ready for action," I chuckled, and without any further ado she plunged her head down and took my cock right to the bottom of her throat. I was surprised at her expertise, given her tender years, but decided to just lie back and enjoy it. As I sprawled in the mud, she stroked my cock from base to tip, slow then fast, hard then soft, lapping my glans with her nimble tongue.

She knew how to change pressure too, puckering and loosening her lips, giving me just the right amount of teeth and tongue action. All the while she was using her right hand to massage my balls and her left hand to stroke the base of my shaft. I started bouncing my arse off the ground and she was right there with me, bobbing her head up and down my length faster and faster until my balls coiled up in their sack and I blew my load into her mouth.

Chelsea slurped every drop from my cock as she continued to stroke my balls. Even when I was limp in her mouth she continued giving me that magic combination of lips, teeth and tongue. "My turn!" she laughed finally.

She flopped down on her back in the mud and slapped her hands in the wetness around her, giggling as she rubbed some mud into her chest and belly. I lifted her knees and took a look at her twat. Her pussy lips were the only part of her not covered in mud. She took a deep breath and her vulva heaved with life and lust. I was pretty lusty myself and put my tongue flat against her slit.

"Oooh, yes," she sighed, arching her back and pushing her hot little pussy against my face. My tongue split her velvet folds and slid into her pot of sweet nectar.

I placed my hands under her arse cheeks, feeling those heavenly mounds as my tongue slid up over her mons, then swirled over the hood protecting her clitoris. Her little love bead swelled and I locked on to it, sucking it with my lips, then plunging my tongue hard against it. Chelsea bucked her hips and panted encouragement with every breath.

I wanted to pleasure her even better than she'd pleasured me and gave her all I'd ever learned, alternating between her button and her hole, diving in deep with my tongue then wrapping my lips

round her bulging clit.

"Lick me!" she cried, "lick my pussy! I'm going to come"

Her hands grabbed the bare earth and she thrashed her head back and forth as she arched again, her quim and belly shaking as she forced her pelvis against my face, my tongue buried inside her oozing cunt. I lapped up every drop as she continued bucking her hips, splattering mud in every direction until she finally grabbed my face and pulled me to her. We French-kissed, sharing the taste of her tangy juices.

It took a few minutes for us to catch our breath, but by that time I was hard again and Chelsea was ready as ever.

"Fuck me!" she said. "Fuck me here in the mud."

She got up on all fours, her body covered with wet mud, but her cunt was still pink and clean. The contrast turned me on like nothing else ever had. I sank myself into that wet pussy in one stroke. Chelsea leaned down and put her cheek in the mud, her arse lifted high and pressing back against me as I held on to her hips and drove myself home hard, fast and muddy. Her hair was matted and she kept grabbing fistfuls of earth to rub all over her.

"Oh, I'm such a dirty bitch," she wailed. "Fuck me like a dirty bitch."

I obliged her, pummelling her tight, wet cunt with the full length

Cheltenham babe Suzie really piqued out interest when she pitched up for this shoot the other week. We've seen plenty of teenies with shaven smoos in our time, but Suzie was brazenly proud of her muff as she peeled off her lacy panties, and was more than happy to tell us why…

"I've tried having it shaven in the past," she confessed, "but to be honest I'm still enjoying the novelty of having a thatch down there. Sometimes I actually find it difficult to resist the temptation to resist the temptation to slide a hand down inside my panties when I'm in a lecture and just tug at my pubes a bit. Apart from anything else, it can make a boring lecture a lot more interesting for the last 20 minutes or so!"

And what does your boyfriend make of them?

"Oh, he's happy enough to have my pussy to play with anyway, so he doesn't mind if it's furry or not!"

Sensible lad!

# SCHOOL OF... HARD COCKS!

## SHE'S ONE OF THE BIGGEST NAMES IN THE BIZ, AND TEENS UNTAMED BAGGED A FRONT ROW SEAT AS KAYDEN KROSS GOT DOWN AND DIRTY IN THIS COLLEGE-THEMED SEXTRAVEGANZA!

**CAST**
**Starring:** Kayden Kross, Alanah Rae, Brooke Lee Adams, Charley Chase, Chris Johnson, James Deen, Rocco Reed, Talon, Toni Ribas.
**Directed By:** Andre Madness.
**Available From:** Adam & Eve.

"Cheers, ears!"

Although this is only my second 'adventure' for *Teens Untamed*, I am feeling pretty confident about the day ahead, as I arrive at the address given to me by Adam & Eve's PR girl. All I know about today's shoot is that its star is the amazing Kayden Kross (their former contract babe) and involves sexy schoolgirls, but that's already enough to have given me a semi-on from the moment I found out until now, making my way towards the impressive set.

I introduce myself to director Andre Madness before the 'talent' arrives on set, and take the opportunity to quiz him a bit about this, his latest project, *Kayden's College Tails*. He admits that he chose to do away with the usual heavy dialogue, instead concentrating purely on the sex. "These girls are amazing performers and their sexual skills speak for themselves," he tells me, before turning his attention to the crew getting the lights in position.

I look for a seat and find myself weighing up between not being in the way and not being able to see. I figure a good view is more important and park myself in a comfy seat near the back of the room, ready for the show.

I don't have to wait long, as not a minute has gone by before Charley Chase bursts into the room, in full college-girl garb. Now, I, as with most men, have a bit of a thing about the school uniform. Not on real schoolgirls, you understand, but there's certainly something about a hot woman dressed in a little pleated skirt and white ankle socks, with her full boobs straining against the material of her plain white shirt, that does something to me. And Charley is doing it well. I surreptitiously move my notebook over my lap, and lean forward slightly to disguise the growing mound in my jeans. It's a good move, especially as Charley goes on to flash us her peachy arse, before turning round to give us a good eyeful of her pink pussy flaps. I'm enjoying the view (maybe a bit too much), when Rocco Reed appears on set and they start the scene.

After a bit of snogging on the sofa, they get naked, Rocco running his hands all over her hot body and Charley feeding her boobs into his mouth, before kneeling down on the sofa and spreading her cheeks open towards us, in doggie. Rocco wastes no time in doing what we'd all like to, sticking his tongue deep inside, and rimming her arsehole. After a few minutes of slurping, squealing and the occasional, "Stick that tongue inside my asshole!" from Charley, she pulls away, gets his cock out of his pants and starts to

Happiest days of your life, eh?

"Mmm, this sofa's a bit lumpy!"

give him the best blow-job I've ever seen, sucking his full length into her mouth, before dribbling it out again and sliding her tongue down around his ball-bag. I shift in my seat, envious of the attention his dick is getting from such a hot source. She looks like she's trying to bring him off in seconds, she's wanking, spitting and sucking so hard, and I can see that her pussy juices are starting to run down her thighs.

Running her tongue down to his nuts again, she kisses and licks her way back up before jumping onto Rocco's lap in cowgirl position, riding his huge dong like a woman possessed. To be fair, Rocco gives as good as he gets, holding her hips and fucking her really hard from underneath, so we can hear the flesh slapping as he pulls her back down with force. That is, until the sofa decides it has had enough and breaks. I can't help but snigger, but when I see the look of pure shock on poor Charley's face, I nearly double up! It turns out to be just a cushion malfunction but Andre's not taking any chances, and he and the crew spend the next few minutes reinforcing the metal legs to stop the sofa skidding across the room.

If you think this might ruin the moment somewhat, you're mistaken, and within seconds Charley and Rocco are screwing away again in cowgirl, Rocco smacking the chilli pepper tattoo on Charley's arse as he bangs away until she climaxes. Before she has a chance to catch her breath, Rocco's moved her into doggie again, stuffs her pussy with his rod, and is soon hammering away at her. She tells Rocco in no uncertain terms, "I want your come", and I feel my boner raising its head, again.

**"She gets his cock out and starts to give him the best blow-job I've ever seen"**

It doesn't take long – not that I'm surprised at the rate they're going at it – before Rocco pulls out at the last second, and pumps his load into Charley's wide-open mouth, which she gobbles up greedily. I feel like applauding, but realise it's not the done thing, so instead I catch Andre's eye and nod my approval. It just doesn't seem enough, somehow.

I'm feeling quite pleased with my day so far, thinking that if I was thrown out now, I'd be a very happy (and smug) man, but I'm not prepared for the sight of Kayden Kross entering the room, complete with tiny tartan skirt and knee-high white socks. I have to pinch myself – this is my dream come true. I try not to gawp, making a conscious effort to keep my mouth closed and not to stare, but I can't help it. The woman looks like a fucking supermodel, and in a matter of minutes I'll not only see her nude, but also see her with a cock in her fanny!

Kayden looks around the set for a suitable prop to play on and settles on an old pile of books (the same books, as it happens, that she's later photographed on for the DVD sleeve, fact fans!), before spreading her legs wide and flashing her beautifully shaven haven in stud James Deen's direction. She teases him (and the rest of the room), stroking her hairless hole as he whips out his dick and begins to slowly wank as he watches her.

Once Andre has the relevant shots he needs of this, he positions them next to each other on the big, beige sofa and shoots the opening dialogue, what little there is. I'm not too sure what the plot is (I won't find this out until I see the finished edit a few months later), but all I can say is that James Deen has the worst French accent I've heard! Fortunately, this only lasts a minute or so, before Andre gives them a thumbs-up from behind the camera.

This is the signal to start, and Kayden wastes no time, practically jumping on top of the lucky bastard, snogging his face off. I see buttons pinging off in all directions, as her blouse gets ripped off, exposing her delectable flesh. He practically feasts on her, nibbling on her nipples, licking and

sucking his way down her body, towards her pussy. And he doesn't hang about when he gets there, either! I can see his tongue slipping in and out of her juicy hole and I can't say I'm surprised when she comes, screaming her head off. He continues his seemingly outstanding cunnilingus, and after she climaxes for a second time, she decides it's his turn, grabbing for his huge rod with both hands. I watch as his tool disappears from her hands and between her perfect lips, wishing it was my own as she takes him down her throat, sucking, licking and milking his dick with aplomb.

**"Kayden's wailing gets louder and louder the harder he fucks her..."**

I can honestly say that I've never seen such enthusiasm as I see next – it almost makes me laugh. As Kayden stops sucking James's dick and knows sex is on the cards, she literally jumps on to his lap, before lowering herself onto his waiting length. This doesn't do much for my self-esteem – especially when only the night before I had to bribe my missus for sex with a foot rub. Why don't women jump onto my lap? Anyway, I digress.

So, with an actual leap, Kayden gets into the cowgirl position, and James proceeds to fuck her for all he's worth.

"You just sit back and enjoy my ride," I hear her purr – lucky bastard – and he does just that, holding and occasionally slapping her arse as she rides him for what seems like hours. It is, in fact, only about 10 minutes that James lets her take control, before picking her up and laying her on her back to give it to her in missionary. I begin to wish I had worn ear-plugs at about this time, as Kayden's wailing is starting to resemble a banshee, getting louder and louder the harder he fucks her. I watch her, her body glistening with sweat as she's pummelled, while again trying to calm (or even hide) my protruding stalk-on.

The pair go through so many positions over the next half hour, my eyes can barely keep up. Rolling around, moving from spoons to mish, from doggie to reverse cowgirl and back to mish again, the chemistry between them is more than obvious and I feel a little disappointed – wasn't Kayden supposed to see me and fall madly in love? Apparently not.

I'm really glad – for my own wank-bank fantasies – that they finish the scene with Kayden yet again sucking dick. Red-faced, sweaty and playing with her clit, Kayden drops to her knees and, playing with her pussy, she works James' tool with her hand and mouth, gagging and slurping until he pulls away, then shouts, "I want it everywhere!", before he sprays his sticky mess all over her gorgeous tits.

As she sucks him dry, I realise I haven't blinked or swallowed in ages, and far from the cool demeanour I was trying to project, I am in fact, sat on the edge of my seat, my hands clenched and my mouth hanging wide open. At least I hadn't dribbled all down my shirt!

One of the crew mentions that they're shooting again the following day, this time with Alanah Rae and Brooke Lee Adams, as well as another scene with Kayden. I'm a bit gutted that I'm not allowed to go two days running, but I wouldn't swap my afternoon watching Kayden Kross for anything! I leave the location feeling on top of the world, even if my balls are a bit on the full side!

School dinners were never this tasty!

Hampshire born hottie Vicky looks like she's got just the right sort of qualifications to make her a favourite amongst *Teens Untamed* connoisseurs! A fresh, innocent looking face, an enticing hard body and – it quickly turned out – quite an addiction to sex!

"You only live once, don't you?!" she grinned, when we asked her whether she liked to keep herself busy in the bedroom department. "Still, I don't like to confine things to the bedroom!"

Oh, really? So you like to get down to it when you're out and about, do you?

"Definitely. My parents' house backs onto a golf course, and I've taken a few guys out there for a fuck once it's got dark enough for us not to have to worry about getting hit by balls or spotted by golfers! There's something about lying on cool grass that gets my pussy dampening in no time, and when I've got a cock to suck as well then there's no stopping me!"

Hmm, we can't imagine whoever you were with needed too many strokes on that hole!

# SCREEN TEENS!

**Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...**

## My Teenage Blog

**(Harmony)**

Harmony have been shooting a fair bit stateside of late, and this is one of their American efforts. It kicks off with Zoe Voss asleep in bed, but she's got the horn and is soon writhing about. A stray hand reaches over to her and gets her properly awake with the help of a big purple massager and then it's off to the shower, where a stud pitches up, cock at the ready, and plunders her meaty flange for all he's worth. A cracking opener, and things only get better from there on, with the next scene, in which Jynx Maze takes a real back-door battering, being particularly filthy! Anal fans'll love it, and while there's no more bummer in the rest of the flick, there are plenty of cute sploshers getting fucked rigid.

## Young Mouth Club

**(Adam & Eve/Madness Pictures)**

Are you one of those guys who finds something rather appealing in the idea of being noshed off by a saucy young flamper? Hmm, yes, thought you might be – call it a hunch. Anyway, this flick stars a bloke called Mo who holds the camera and provides the cock, which a series of fresh-faced jizz-junkies proceed to fellate as if their lives depended upon it. Ranch-raised blonde Alyssa's first up, and after telling us about her idyllic upbringing she strips off, plays with her pussy and then sets to work on Mo's beef bayonet. She seems to be a bit of a natural, frankly, so hats off to the director for holding out 15 minutes before pumping her pretty mouth full of spuff. The rest of the film follows a very similar pattern (they're even shot in the same room), but for teenie BJ POV, it'll get you off in no time at all.

## Babysitters 2

**(Digital Playground)**

If you like your teenies to be improbably largely breasted and blonde you'll probably be a bit disappointed by most of the teen-related movies that come out. Luckily for you, though, Digital Playground prefers its girls just like this, and the talent on display in this flick is classic DP fodder (with tiny-titter Stoya being the exception that proves the rule). The plot, for what it's worth, revolves around a babysitting agency run by Jesse Jane, none of whose clients seem remotely interested in having their babies actually looked after, preferring instead to bone and jizz all over the cock-hungry young strumpets when they turn up. Well, it sounds like a pretty good business plan to me!

## Itty Bitty Titties

**(Adult Channel Uncut)**

There's a bit of a comedic vibe to this one from the look of the first scene, in which Mark Slogan bemoans his fate as a sugar daddy who's being bled dry by his young bird, Hannah Shaw; the poor bugger's so skint he can't even afford any fish – or water! – in his fish tank. On the plus side, though, he gets to slip her a length when she gets home, and from the sluttish way she goes at it, it looks like a pretty good trade-off to us. The next scene throws us a bit of a curve-ball – is cute oriental babe Amira going to bunk up with that bar-room drunkard? No, it's the barman who gives her one, ending up with some delicious cream pie fanny farts! More much from the likes of Angel Long (anal, of course) and Michelle Moist make this a cracking slice of UK scruff.

## Lil' Fucks

**(The Score Group/18)**

For a company that made its name on the back of (alright, on the front of) huge-titted babes, Score's teenie sideline is a welcome addition. There are no pretensions, really, just a series of scenes in which a selection of horny youngsters get a pronging, but hey – that's alright by me! Katie Lewis is first up to the plate, wasting no time in swapping spit with her rather chunky boyfriend when he pitches up. They go through all the moves, but it's a bit of a lame opener, with him just whispering "Fuck yeah!" until he dribbles out a few drops of harry over her chops. Star of the show for me was Gigi Rivera, who actually seems to be really into it and gets a filthy creampie for her troubles, but for the most part this is pretty standard no frills teenie fodder.

## Young Harlots: Dirty Business

**(Harmony)**

A round-up of recent teenie flicks wouldn't be complete without the latest instalment in the *Young Harlots* series, would it? So here we go… Furry-muffed cock-jockey Suzanna's first into the fray, telling her teacher she fancies being a TV presenter. By way of a bit of work experience she sets about riding his and another stud's knob for dear life, which probably won't help her chosen career path but definitely helped this reviewer drain his nads in double quick time. Thereafter a typically YH cavalcade of scrubbers make their way through about a gallon of jizz, with Megen Coxx, Syren Sexton and good old Natalie Von all getting a thorough going over.

## Barely Legal Anal Virgins

**(Adult Channel Uncut)**

Talk about lo-fi! This one looks like it spent about 10 minutes in post production, but I guess we're not exactly looking for the next *Avatar* here, are we? A couple of Eastern European flampers miss a tram, and then inexplicably end up round at some dude's flat – where he offers them a big sausage and a cucumber to eat. Then out comes his big swinging cock, which they fondle for a while before tucking in. Both girls end up 'trying anal' before they're done in an almost laughably amateurish opener. A couple of girls wank themselves and each other off with candles next, before a pretty brunette gets her backdoor kicked in a pole-dancing club. Probable highlight is the DP in the final scene, but this is mostly very standard fare indeed.

## Teen Rebel

**(Harmony)**

Russian hottie Natalie Von's back, getting this one going with a strange introduction about why she likes studying in Prague, which is nice to know. Still, she's got a mate called Ivana who's a bit of a slapper and proves it by taking on three cocks. The filthy little mare is soon rendered airtight with every hole plugged in an eye-watering scene that sets up the movie very nicely indeed. After another pointless interlude from Natalie we have a red hot lesbo 3-some (and look, that's covergirl Caprice in there!) and then a stonking anal drilling for the super-cute Ferrara Gomez. Brit tart Syren Sexton's next up, before Natalie sees us out, succumbing to a frantic double dicking. Quality!

When we found out that Lindsey here was an art school student was dashed out and bought what we thought was a rather tasteful photo to hang in the background, but when she saw it she got a bit sniffy about it! So what's the problem?

"It's a nice enough picture, I guess – but I must have seen it a hundred times! Why can't people go out and buy an original piece of art instead of all getting the same thing all the time?"

Oh, well, we're terribly sorry! So can we assume you've got a few pieces you'd like to sell?

"I'm not really in the market for that sort of thing yet – I've still got a lot of studying to do. Besides, we're not really here to talk about art, are we?"

Ahem, that's true enough. Umm, so have you got anything you'd like to say to our readers?

"Well, I just hope they enjoy the view. Hopefully I'm a bit more interesting than the one in that photo!"

Oh there's no need to worry about that!

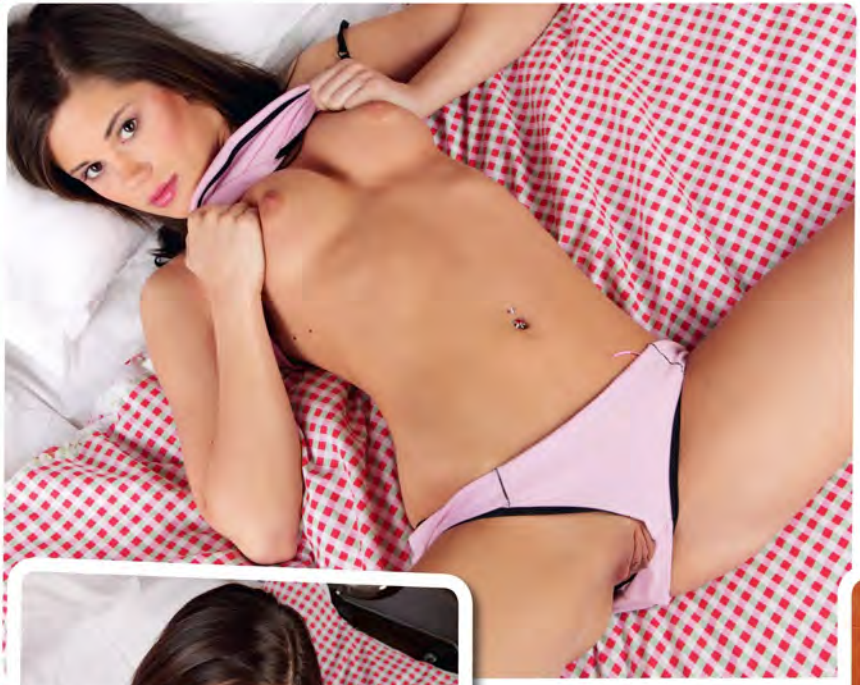
PHOTOGRAPHY: SCOTT WARD



We first came across Caprice (quite literally), when she appeared back in Volume 1.2, and she made such an impression on everyone here with her lovely firm body and juicy little snatch that we thought we'd ask her back for a bit of a catch-up and, well, to get another look at her, basically!

Last time we hooked up she was telling us about her plans for world domination with a website she was putting together featuring her doing all sorts of naughty things; so how's that coming along?

"Very slowly, I'm afraid!" she laughed. "I enjoy making the videos, of course – sucking cocks and licking pussies, but then when I get round to editing them I don't seem to be able to get very far. The temptation to slide a hand inside my panties is far too strong, and I generally end up writhing on the floor frigging myself to a massive orgasm – which means very little work actually gets done!"

Hmm, we'd probably be exactly the same ourselves, to be honest, but if you need a hand to look at these vids, we'd be more than willing to chip in. Umm, how about right after this shoot…?

What, you mean the sight of me playing with my pussy for you right now isn't enough?"

How can you have enough of such a good thing?!

## TEENY STRUMPETS TELL US ABOUT THIER FIRST TIME... THIS ISSUE FRANCESCA'S GETTING FRUITY WITH HER OLD FRENCH MASTER!

When I was in the 6th form doing my A-levels all the girls in my year had a crush on our French teacher, Mr Harris. He was only about 25, and insisted we all called him Sean. We used to try and wind him up in class, crossing and uncrossing our legs, leaving him little notes, asking him what he was doing that evening, but he always batted us away. This always made us more determined to get a reaction out of him – but we never had any luck. However, at the end of the summer term we all arranged to meet up in a pub on the outskirts of town on the day our exam results came out so we could all commiserate/celebrate together, and I asked Sean if he'd be there as well.

"Ah, you might not want to see me when you find out you've all failed!" he laughed, but said that he might pop along – once he'd checked out the results as well!

Anyway, I more or less forgot all about it for the next couple of months, but as the day the exam results were to be announced I started to get a bit anxious – not only about the results, but also whether I'd ever see Sean again. I'd got it into my head that he'd be the perfect guy to pop my cherry, and although I knew it'd be a challenge, now he wasn't my teacher any more I thought I might be in with a chance – as long as he turned up.

The big day arrived and my results came through – an A and two Bs, with a B in French, which was what I'd been hoping for! Perfect for the course I had planned, so when I headed to the pub I was in the mood to celebrate. It wasn't long before I'd had a few vodka and cokes and was feeling a bit squiffy.

Suddenly I felt a hand on my arm, and there was Sean, looking a bit sheepish.

"Congratulations on your result!" he smiled.

"It was all down to my teacher!" I giggled. "Let me get you a drink to say thank you."

"Just the one," he said. "I've got the car. But I'm not sure you ought to have any more…"

"Oh, one last one – just to keep you company!" I said, and now it as my turn to give his arm a little squeeze. He looked at me, and it seemed that suddenly he'd realised that we were no longer constrained by our teacher/student relationship.

We sat together and had our drink, trying to ignore the cheers and wolf-whistles coming from some of my old classmates. I didn't care – I'd got him all to myself, and I was going to make the most of it.

Once we'd finished our drinks he looked at his watch. "I'd better be off – I've got an early start in the morning. Umm, can I give you a lift anywhere?"

Naturally I accepted, and was soon sat in the passenger seat of his car. By now the erotic potential of the situation was getting too much for me, and I could feel my quim starting to leak juices. Would he make a move, or would I have to? I decided that this was probably a once in a lifetime opportunity, so I resolved to make the running myself.

As we were driving back towards the town centre I said casually, "Oh, it seems like such a lovely night to go home so soon. Couldn't we pull over for a bit?"

I guess he was having similar thoughts, because he nodded and smiled, before turning up a quiet lane and pulling over.

"Well," he smiled, "so what are we going to do now then?"

I answered him by reaching across and stroking my hand over the bulge in the front of his jeans. I felt it gave a little twitch as his cock sprang to life.

"Are you sure…" he started, but I shushed him and, having undone my seat belt, I leaned across and unbuckled his belt. He let out a little gasp as I undid his fly and, as he lifted his arse off the seat, slid down his jeans and boxers until his lovely stiff pole sprang out. I'd never seen a stiff cock close up before, and I gazed at it for a while before the urge to taste it became too strong, and opening my mouth wide I sank my lips round his shaft.

He let out a soft moan as I clamped my mouth round his pole and slurped my tongue round his shiny helmet. The taste wasn't quite what I expected, but I son got used to it, and before long I was bobbing my head up and down frantically, discovering for the first time the thrills of sucking cock.

"Stop, stop!" he suddenly gasped. I lifted my head off his prick and looked at him. "Let's get out where there's a bit more room," he said, and we clambered out of the car. He fetched a rug from the boot and, spreading it on a secluded patch of ground, we lay down together. Pulling up my short skirt, he slowly slipped a hand inside my panties. I bit my lip as I felt his fingers brush against my carefully trimmed pubes, and then groaned in pleasure as he found my love-button. As he slipped a finger, then two inside my slippery hole I thought I'd come there and then, but Sean had other plans. Once he'd made sure I was good and wet he peeled my panties off.

I'd frigged myself silly countless times imagining this moment, and now it was about to come true. Positioning himself between my spread thighs Sean lined the tip of his prick up with my pussy and, leaning forward, slowly pushed it inside me.

The feeling was incredible – my pussy walls stretched deliciously around his shaft as he sank into me, balls deep. I was so close to coming by this stage I simply ground my hips round a bit, making sure his prick probed every inch of my cunt and suddenly I felt my orgasm building from my toes and making my whole body shudder and convulse uncontrollably.

Sean couldn't have been far off either, because as I shook beneath him he started to slam his pole into me, sending shock waves of pleasure through me as he plundered my virgin pussy. I was almost delirious by now, not really knowing where I was until I felt his cock swell inside me. Pulling out, he shot a long jet of his spunk jetting up over my belly; two, three gushes of the stuff as he gasped through his own orgasm.

After we'd both got our breath back I gave his cock a lick clean and we got ourselves tidied up.

"I guess I'd better get you home," he said, regretfully, but we made plans to see each other again, and I've become a lot better acquainted with his lovely cock since that first night.

We took the guitar along just as a bit of a prop for this set, but before we knew it Haley had tuned it up and was treating us to a fairly creditable version of 'Hotel California'! Well, we thought it only polite to listen for a while before we asked her to take her clothes off for us – it's a nice enough song, after all, but it felt like a bloody age before she'd finally wrapped it up and we were finally treated to the enticing sight of those little bee-sting boobs of hers.

By the time she'd peeled off those panties to reveal her lovely shaven spadger with those mouth-wateringly meaty labia and given it a rub we were more than ready to put the strumming behind us! Much as we'd admired her fingerwork on the fretboard, it was nothing compared to the dextrous way she dipped her digits in and out of her dripping lovebox, and we were soon clapping along a lot louder than we had done to the music!

Hands up if you fancy getting a rub-down from Molly here? Well if you play your cards right by slightly injuring yourself in a year or so, that's just what you might be getting, courtesy of the NHS! She's training to be a physiotherapist, you see, so if you tweak a knee or get a bit of back pain, who knows, you could be the lucky recipient of a bit of hands-on action from this 19 year old lovely! Anyway, although she's not qualified yet, I figured it was worth a try to see where I got…

"What do you mean, you've got a bit of an ache in your cock?" she said when I told her I thought I might need a bit of physio myself. "No doubt you're hoping that I rub a bit of baby oil into my hands and give it a massage, right?"

Naturally that was exactly what I was hoping for, but she wasn't having any of it.

"Being a physiotherapist doesn't really mean I do any of that," she informed us. "I'm far more concerned with exercise programmes that help people strengthen variously muscle groups. I'm afraid if you want your cock rubbed, you'll have to do it yourself!"

Alright then, if you insist…

Well here we are with the final girl of the issue – and she's another sizzling hot cutie! To be honest I don't know what the Ed was thinking of putting her at the back, but as he's got a bit of a sweet tooth perhaps he had her lined up as some sort of delicious pudding to round things off…

And while we're on the subject of tasty treats, doesn't Kelly's pussy look like just the sort of thing you could tuck into for hours on end? I think she must have noticed me salivating slightly when we were shooting this set, because she suddenly stopped posing for a second and asked, ""So do you like the look of my fanny, then? You're certainly paying it plenty of attention!"

Caught red-handed (or sweaty palmed, at least)! What could I say? Well, me dear old Mum always taught me that honesty is the best policy, so in the end I 'fessed up – yes, I did think she had a beautiful smoo, and if she ever wanted anyone to give it a good licking for her, I'd be more than happy to volunteer! So did it taste as good as it looks? What do you think?!

of my cock. With every stroke I picked up the rhythm, fucking her so fast and hard that we both slid forward a couple of inches in the soft ground.

"Yes, yes, yes," Chelsea howled. "Fuck me harder. Fuck me harder and make me come!"

That was all it took. My balls tightened up again and I shot my load into her, lifting her arse higher and practically howling when I came. Both of us arched back and yelled at the misty skies, her cunt clamping around me, milking every drop of juice from my pulsing tool.

We fell forward with a splat, panting hard. When we finally caught our breath again, Chelsea looked up at me and said, "I think I could do with another glass of pop. How about you?"

All I could do was nod my head in response.

I watched her horny little body swaying sexily as she went back up to the house for the drinks, all wet and beautiful and caked with mud. I didn't get much more gardening done that day, to be honest, but it was rainy, after all!

## BIRTHDAY BONE-ANZA

For my boyfriend's birthday I got him one of those illustrated sex manuals and told him he could choose his own present. I thought this would be a cheap but fun idea – but it ended up backfiring on me in a way I hadn't foreseen.

"So I can have anything in here at all?" he asked.

"Absolutely, just name it and we'll do it," I told him, expecting him to ask for a sixty-nine or even for me to lick chocolate off his cock. As it happened, it was another page altogether that caught his eye.

"OK then, I'd like page 112," he said, handing me back the book.

When I saw what he'd chosen I almost died. The chapter was all about anal sex and there were several pictures of girls with dildos in their bums. I told him I couldn't possibly do that but he insisted this was the present he wanted, so in the end I had to agree.

We stripped off and had a kiss and a cuddle and I went down on him and sucked his cock. I wanked him into my mouth, good and hard, and stroked his balls all over, just how he loves it, desperately trying to make him blow his load so that maybe he'd forget all about the arse fucking. Unfortunately for me, Ryan realised what I was up to and stopped me just as his pre-come started leaking out all over my tongue.

"Oh don't be mean, give a girl a drink," I purred and sucked his cock some more, but he managed to pull his cock away just as it started twitching in my mouth.

"Turn over now, this can't wait any longer," he ordered, so I did as he said and bent over on all-fours. Ryan licked my cunt from behind, then turned his attention to my arsehole. I'd never been rimmed before but almost despite myself I found it unbelievably stimulating. Ryan pushed his tongue into my ring, then followed it up with his fingers, lubing me up with my own pussy juice. It felt weird, but very exciting as he finger-fucked me in both holes at the same time. I pulled at Ryan's cock and rubbed saliva all over it with the palm of my hand and realising that now I was actually looking forward to taking it in the bum.

"Come on then, give it to me," I said, so he stood over me and bent his knees until the very tip of his prick touched my crinkled pink hole. I took a deep breath and relaxed as much as I could, then Ryan pushed his cock inside me. It felt so much fatter than his fingers and stretched my anus wide open as his shaft pressed forward. I clenched up around his cock, but not enough to keep it from entering me, and Ryan filled my arse with his hot meat. I let out a low moan as his heavy balls finally came to rest against my buttocks and held him there while I got used to the sensation.

"You like that?" Ryan asked, and to be honest, I did. It felt incredibly intense but really satisfying. Ryan eased his prick out, then pushed it back in again, giving me a head-rush like you wouldn't believe. I stroked his buttocks all over as he pumped me slow and deep, drawing his thick length out so that only the very tip remained inside my ring, then plunging it back inside.

My nipples stiffened and my face glowed hot as I began to enjoy myself and started pushing back against his thrusts to drive his cock into me with more force.

"Fuck me harder," I demanded and rubbed my sopping slit as Ryan stuffed his solid erection between my cheeks again and again. I dipped two, then three fingers inside my pussy and fucked myself in one hole while Ryan fucked me in the other. I was totally hot for it now and loving the feel of my boyfriend's thick prick inside my bum.

"Oh yeah, I'm coming! I'm coming!" I cried and suddenly squirted all over my hand. I'd never known such a powerful orgasm in all my life and managed to keep it going for ages while my arse got hammered.

Ryan's strokes started getting shorter and faster and he buried himself deep inside me again and again. I sensed he was going to blow and worked his cock with my sphincter until suddenly I felt a hot gush of cream flooding my colon. Ryan emptied his balls inside me then asked if I still wanted a drink. I was so turned on at that moment I would've done anything he suggested, so I said yes and sucked his cock for the last few drops.

Not a bad present, I think. And who says books are boring gifts?
